

# I REJOICE AT THY WORD

## TREASURE HUNT

### DIRECTIONS

Two categories are given to explore in this study: God's Word and Titles for God

The Bible is full of metaphors to help us understand our relationship with the Word and with God, Himself. For example, God's Word is a lamp that reveals the way forward. God is a Shepherd who takes care of us.

- ▶ Compile a list of verses that use the imagery provided.
- ▶ See what you can come up with on your own before turning to concordances, or search engines.
