Take it further:  
On your chart, mark which kings were godly. This will require further reading & research.

Questions to consider as you read:  
In the big picture of God's story, what are some ways God was able to use the kings?  
Can you relate to any of the characters in this story?  
(Israel wanting an earthly substitute for God, Solomon wavering in his devotion, etc.)

Fill in the blanks of the chart by looking up the corresponding Bible verses.  
Read the passages in the gray box for an overview of Israel's royal history.
